

The Art of BEING YOU!

Did you know there is an art to being you? No one else in the world can do it quite the same. That makes you a one-of-a-kind masterpiece! How would you express you? Would you dance if you were happy? Would you sing if you were blue? Would you paint if you were angry? Would you draw if you were two? (OK, I'm not a poet, but maybe you are). Compose a song, draw a picture or paint your happy place! Share the art of YOU!
